## OUR CAUSE

WCVWOT's mission is to establish Patriot's Day Plaza, which will house the Global War on Terror monument, the Westmoreland County Fallen Heroes memorial, and a First Responders' monument at Twin Lakes Park in Greensburg, PA. The memorial plaza will honor the county's sons and daughters who answered the call to serve in America's longest war. Along with the memorial plaza we also are establishing programs for WOT veterans and their families to continue to help and serve them. We believe there so much more that we can do for our men and women who have answered the call.

2019 was believed to be the last year for The Dave Wieger Memorial Foundation Golf Outing, which was 12 years running, until WCVWOT sparked a new wave of emotions for "THE DAVE". This year will mark the first annual WCVWOT Warriors' Open. The Warriors' Open "brings it back home" continuing to remember and honor David Wieger as well as all of the Global War on Terror Fallen Heroes of Westmoreland County.
